Thank you all for your continued support. I am so lucky to work with such a fantastic bunch!

Congratulations to all those who advanced this fall by completing their Book Recitals: Scarlett, Kaitlyn, Sophia, Andrew, Addie, & Hunter for advancing to Level 2, and Nicholas for advancing to Level 3!

A special congratulations to Dominika Homa for being invited to perform her original composition, *Rain*, at the NYSSMA conference earlier this December!

I wish you all a very Merry Christmas and Happy New Year!
